Davis,

Here's information about the safety program for the Bathy Survey including updated start time and locations.

Attached is a 'clean' version of the updated Bathy HASP and an updated Pre-JHA.

Start time for tomorrow will be **8AM at Fred's Marina:**

Fred's Marina
12800 NW Marina Way
Portland, Oregon
503.286.5537

A parking pass is required to park at Fred's marina. The cost is \$8 and can be purchased at the gas dock. Fred's Marina is an old marina so it may be best to distribute life jackets in the parking lot. We want everyone to have a lifejacket on before they board the Broughton. John Staly, Deputy PM, and myself will be attending the field meeting but he, Jenny and myself will not be on the vessel once they leave the dock. We can have John Staly meet everyone at the top of the ramp and distribute life jackets. If you want to do a brief in the parking lot we can have Dave and Jason come up and join the group in the lot.
